

REGISTER & LOGIN IBM CLOUD

SATHYA(TL):

SHALINI:

ELAKKIYA:

The screenshot shows the IBM Cloud dashboard for a user named Elakkiya Elakkiya. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The main dashboard area is titled "Dashboard" and features a "For you" section with several recommended actions: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Use Watson Studio" (Watson Studio provides a suite of tools and a collaborative environment for data scientists, developers and domain experts), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Use Speech to Text" (Easily convert the human voice into the written word for voice control, transcription, etc. with Speech to Text), and "Use Te" (Convert natural variety voices). Below this, there are sections for "User access" (Manage users), "News" (Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS), and "Planned maintenance" (View all). The bottom of the dashboard shows a Windows taskbar with the search bar and various application icons.

JAGANKUMAR:

The screenshot shows the IBM Cloud dashboard for a user named Jagankumar S. The interface is similar to the one above, with a top navigation bar and a "Dashboard" section. The "For you" section includes recommendations: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Explore IBM Cloud Shell" (Try a command-driven approach for creating, developing, and deploying a web project), "Visit the IBM Cloud catalog" (Explore our unique product catalog that contains 190+ services and software for your business solutions), "Discover the Watson Internet of Things (IoT) Platform" (Use the built-in web console dashboards to monitor your IoT data and analyze it in real time), "Explore tutorials" (Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios), and "Build a" (Lift and worklo). Below this, there are sections for "User access" (Manage users), "News" (Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS), and "Planned maintenance" (View all). The bottom of the dashboard shows a Windows taskbar with the search bar and various application icons.
